## PENFIELD

The Penfield is a picturesque home for any organization

The Air Force needed a multi-purpose recreational building on its northern Michigan base, and Cedar Forest designers responded with a floor plan that highlights space and craftsmanship. The versatile Penfield was engineered to serve the Air Force, yet it's easily adapted to meet your down-to-earth specifications.

- Front glass prow with large windows provides picturesque view
- Large activity center features laminated arches, large fireplace and kitchen with serving counter
- Complete with restrooms
- Many floor plans available
- 6/12 pitch
- 2,200 square feet
