PRESS RELEASE  
FOR IMMEDIATE RELEASE

#### ABCREATIVE AWARDED GREENBUSH PLAYGROUND EQUIPMENT CONTRACT

**De Soto, KS. February, 2017.** ABCreative is proud to announce they have once again been awarded a pre-bid contract in the category of Playground Equipment with Greenbush Procurement.

Purchasing contracts such as this are nationwide government procurement services that establish competitively-priced contracts for goods and services. It helps to eliminate the costly and time intensive bid process.

Public entities such as school districts and cities can take advantage of this bid contract by purchasing playground equipment at a discount.

“One of the most important things to be aware of is that the Greenbush Purchasing contracts meet all Kansas Bid Law requirements,” said Julie Scott, ABCreative consultant. “We are thrilled to partner once again with Greenbush and be able to provide cost-effective playground equipment solutions to schools and other public entities in Kansas and surrounding states.”

ABCreative first won a 3-year pre-bid contract with Greenbush Procurement in 2013. This is the second time the company has been awarded the contract.

For more information about ABCreative’s products and services or purchasing through the Greenbush contract, please call (913) 583-3332, email us at [karen@abcreative.net](mailto:karen@abcreative.net) or visit our website at [www.abcreative.net](http://www.abcreative.net).
